ADDITIONAL SUPER BOWL XLI SATELLITE FEEDS SET UP FOR COLTS' WEDNESDAY & THURSDAY PRACTICES

The Super Bowl XLI Satellite News Service will send additional feeds after their regular transmissions this Wednesday and Thursday that contain practice footage of the Indianapolis Colts. The feeds will run from 6:15-6:30 PM ET.

The Colts practice past the time that their session would be able to be included in the regular daily feed from 4:00-4:35 PM ET.

All feeds are digital and "in the clear" (un-encrypted).

The new feeds for Wednesday, January 31 and Thursday, February 1:
