## **DAILY DOMESTIC & INTERNATIONAL SUPER BOWL XLI SATELLITE NEWS SERVICE BEGINS JANUARY 29; GAMEDAY FEED TO INCLUDE QUARTERLY HIGHLIGHTS**

A daily Super Bowl XLI Satellite News Service feed for domestic and international use will begin January 29 and run through February 5.

The Super Bowl XLI Satellite News Service is available free-of-charge to TV sports directors for use during regularly scheduled newscasts.

The Super Bowl service will include news, player and game features, plus coverage of events throughout Super Bowl week. On Super Bowl Sunday, the service will provide game highlights at the end of each quarter and postgame player interviews.

The daily domestic feed will run from Monday, January 29 through Monday, February 5. Feeds for Europe and Asia also will run on those days.

All feeds are digital and "in the clear" (un-encrypted).
