

EAGLES SEEK TO KEEP NFC SOARING

One of the highlights of the NFL’s Week 8 schedule is the interconference matchup in the Mile High city between the Philadelphia Eagles and Denver Broncos.

The Eagles are hoping to continue the NFC’s success against AFC opponents. Last week, the NFC posted a perfect 6-0 record in interconference games, including Philadelphia’s exciting 20-17 win over San Diego. The last time a similar conference sweep occurred was in 1998, when AFC teams posted a 5-0 mark in Week 2.

The NFC leads the interconference series this season 17-14. Other Week 8 matchups pairing AFC and NFC teams: Green Bay at Cincinnati, Miami at New Orleans in Baton Rouge and Jacksonville at St. Louis.

Following is a list of quarterback injuries for Week 8 Games (October 30-31):

Chicago Bears	Out	Rex Grossman (ankle)
